

AMAR

Mickey Felleman

The distance is nothing; it's only the first step that counts.

IT IS WITH LOVING APPRECIATION that we of the Annual Staff dedicate the 1966 Lamar to Mrs. Antoinette D. Reading, who has served our high school so long and faithfully. Mrs. Reading has provided understanding and inspiration for the student body, by not merely doing her duty, but by performing beyond that duty, in her support of sports and all other student activities.

Administration and Faculty

Dear Friends:

When the work in this book is done and we turn its pages to stir the memories of days gone by, I trust that it will remind us of the things we've been through together. Memories of work and play, of sadness and fun, of lessons learned and the friends we've made, will certainly be a part of that reminder.

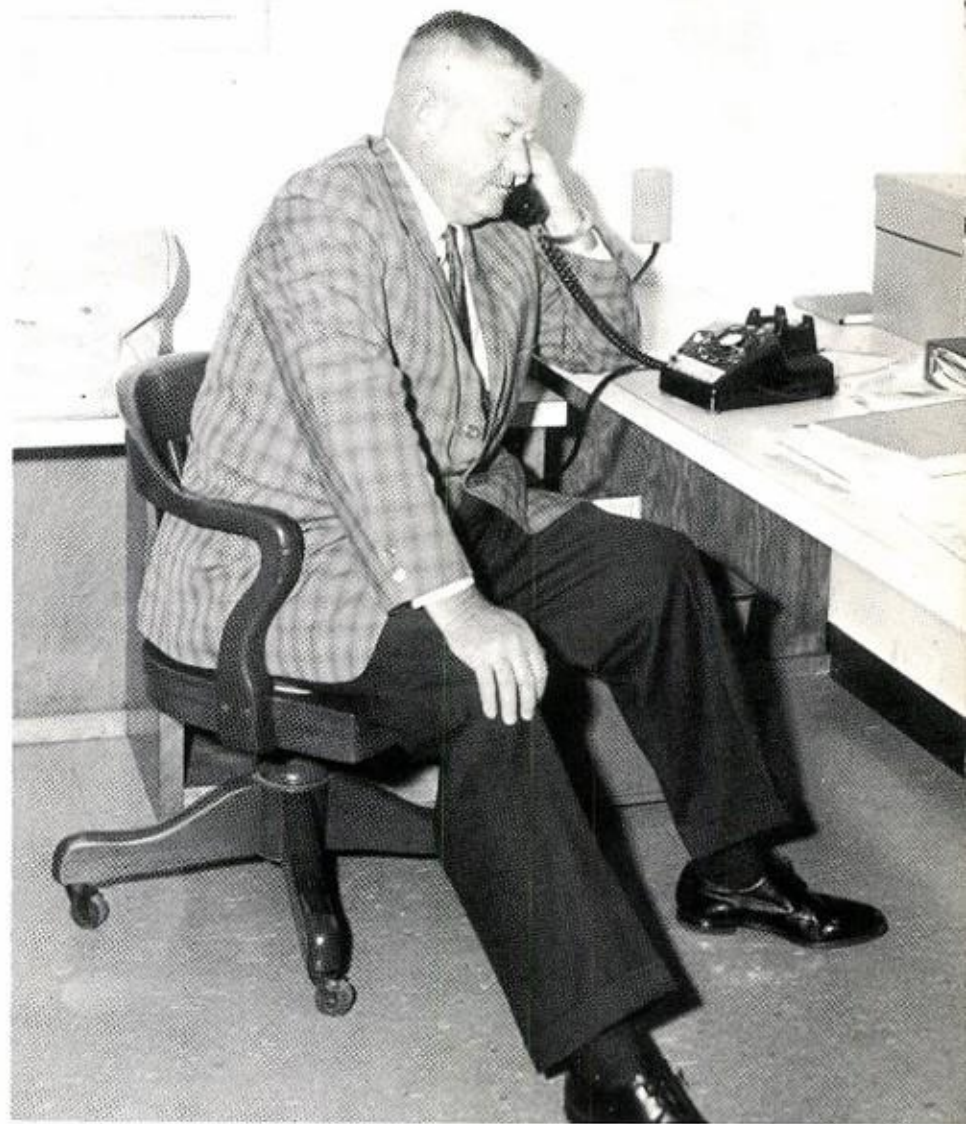

I hope that it will also remind us of the Spirit of Lamar--that success is obtained by working together. I would ask that now and always we dedicate ourselves to the proposition that every boy and girl should have the chance to develop his or her God-given abilities to the highest degree possible, and that we pledge we will help by doing "the best we can, with what we have, where we are."

Sincerely,

J. C. Rogers

Principal

It is a pleasure to work with the student body of Lamar Consolidated High School. We have had an excellent year as a result of having a combination of a fine student body, Faculty and excellent facilities.

Some of our achievements of the year are shown in this yearbook. I hope that each time you look through this book in reviewing the year 1965-66 you will feel proud of the fact that you have been a part of making Lamar Consolidated High School a better school and that you are stronger physically, mentally and morally for having been part of our school.

MOTTO: "We Build The Ladder By Which We Climb

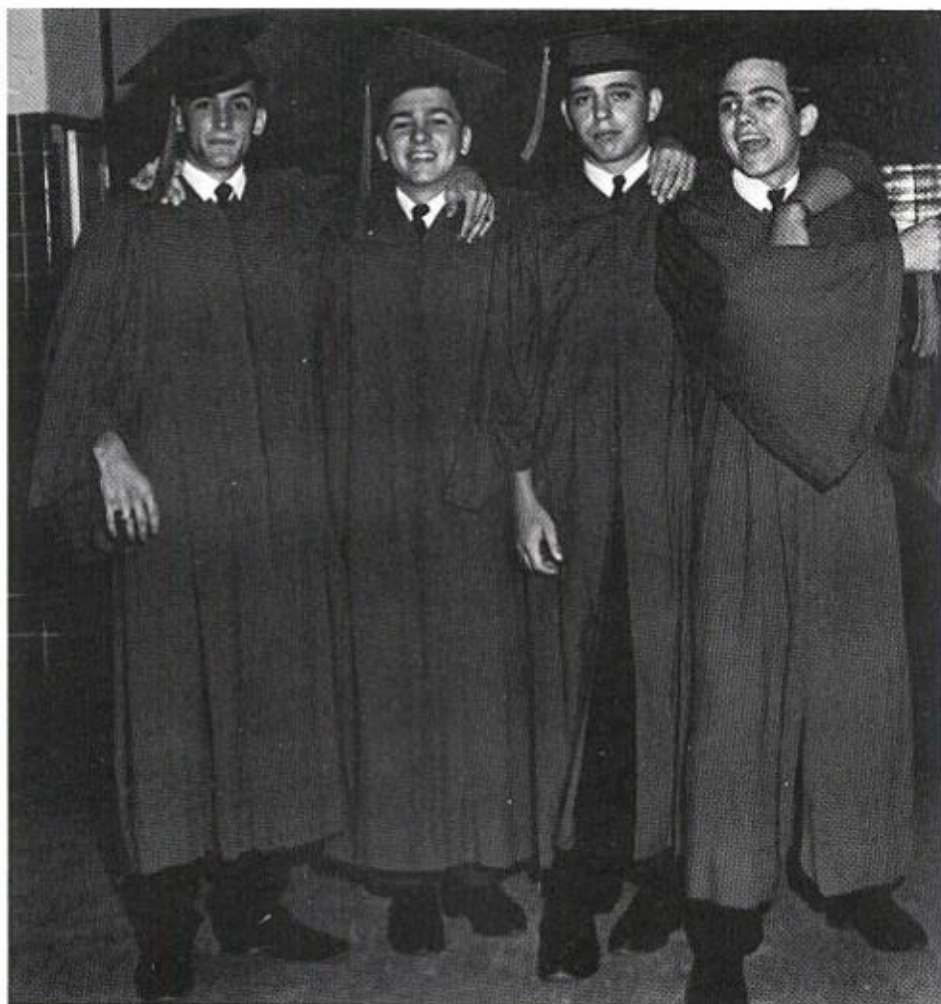

Notice Kelley's hand. That's from writing so much for the last four years. (HA!)

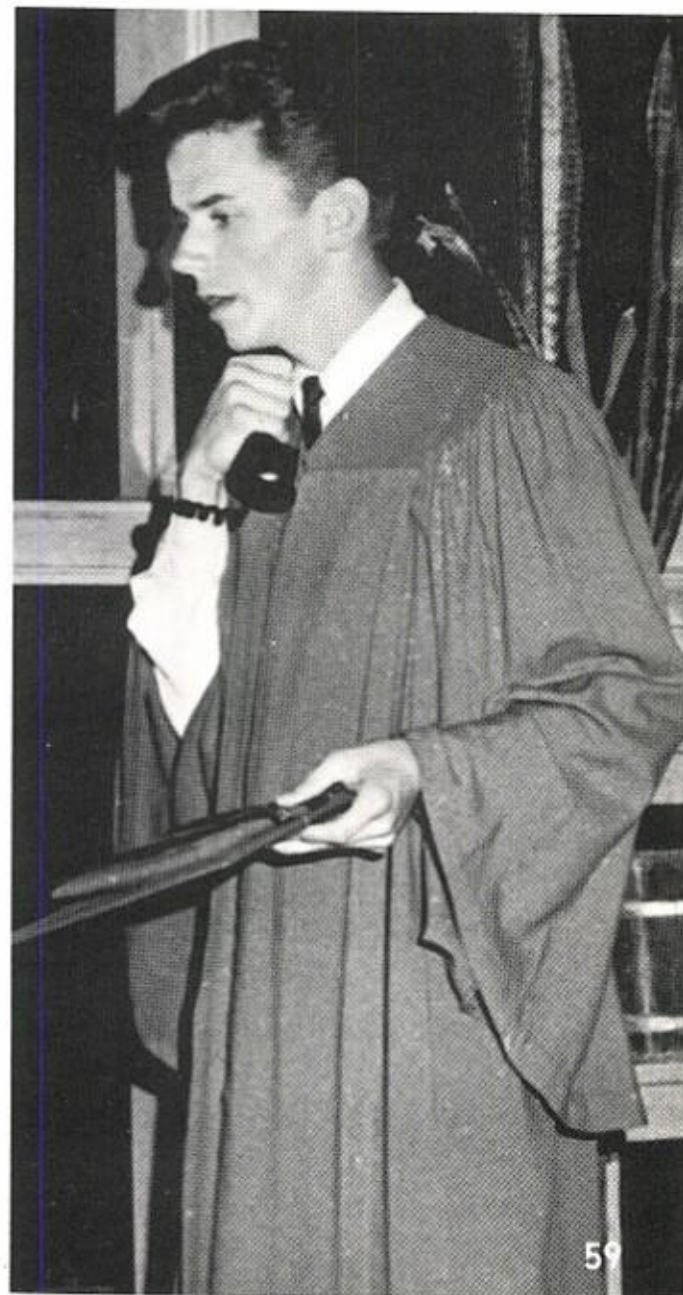

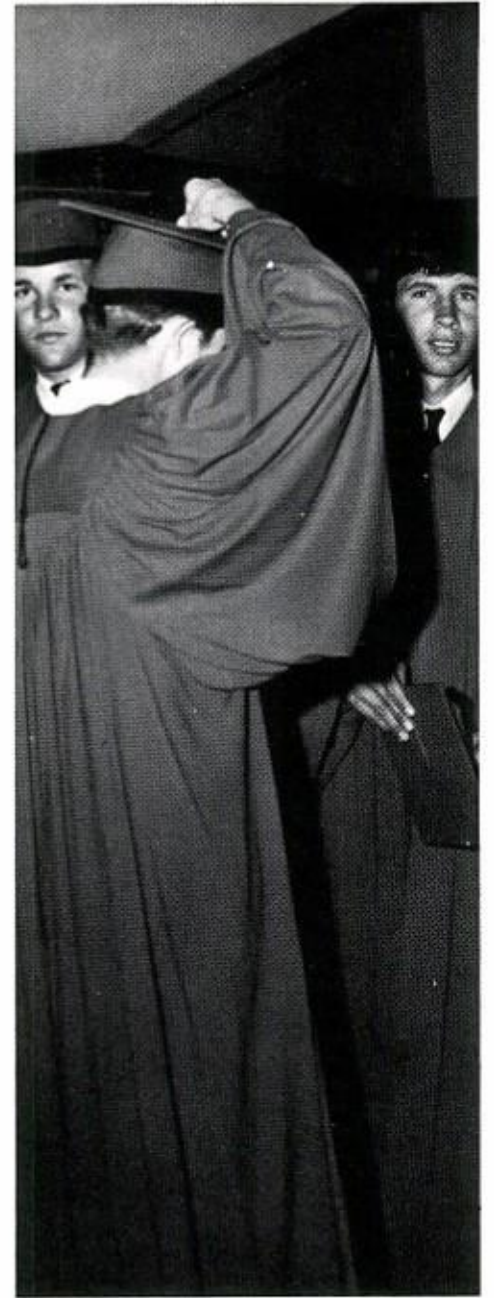

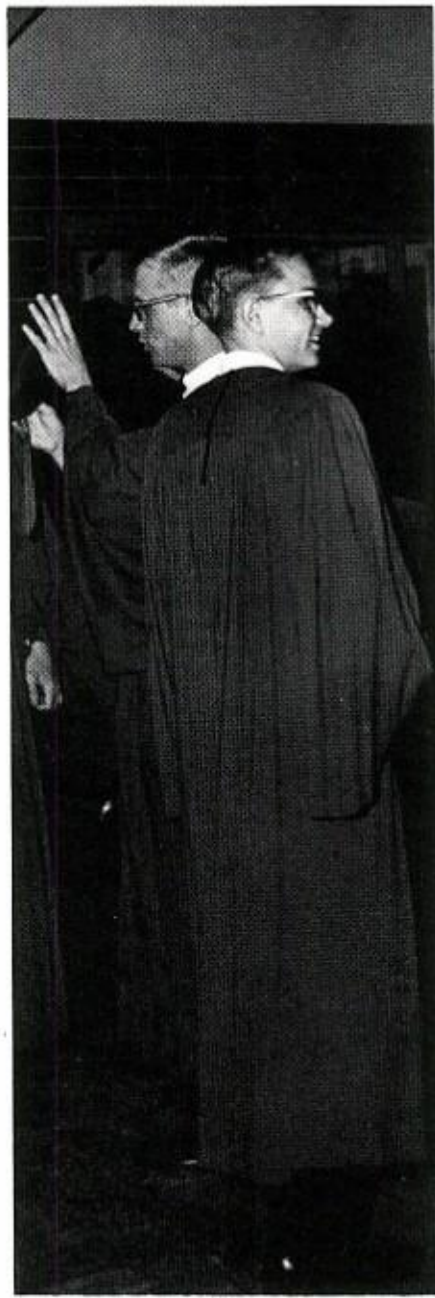

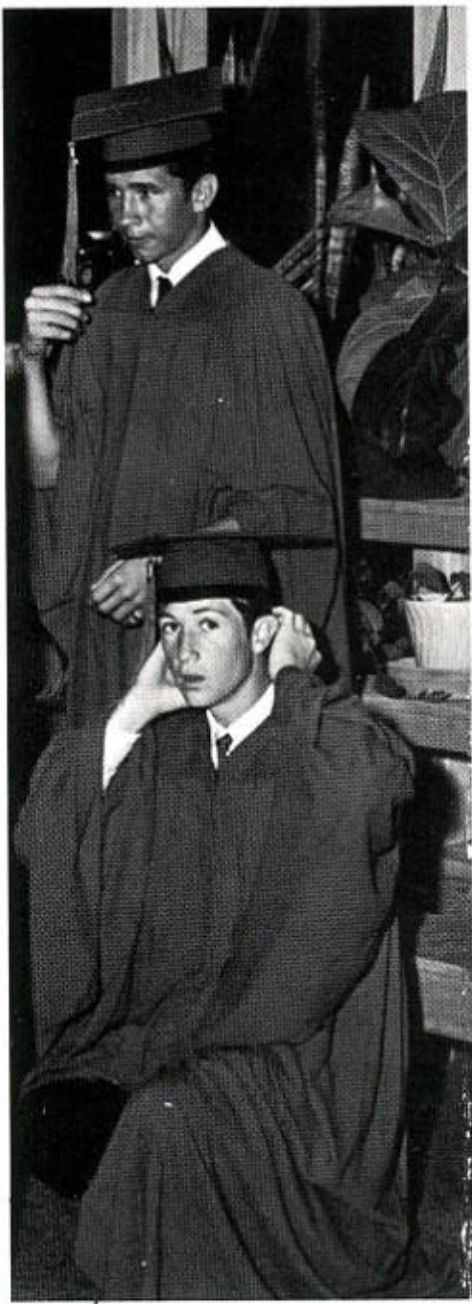

A typical senior - excited about marching out onto the football field.

Hal: "Mommy, they won't give me my diploma!"

I've heard of Brotherly Love, but this is ridiculous.

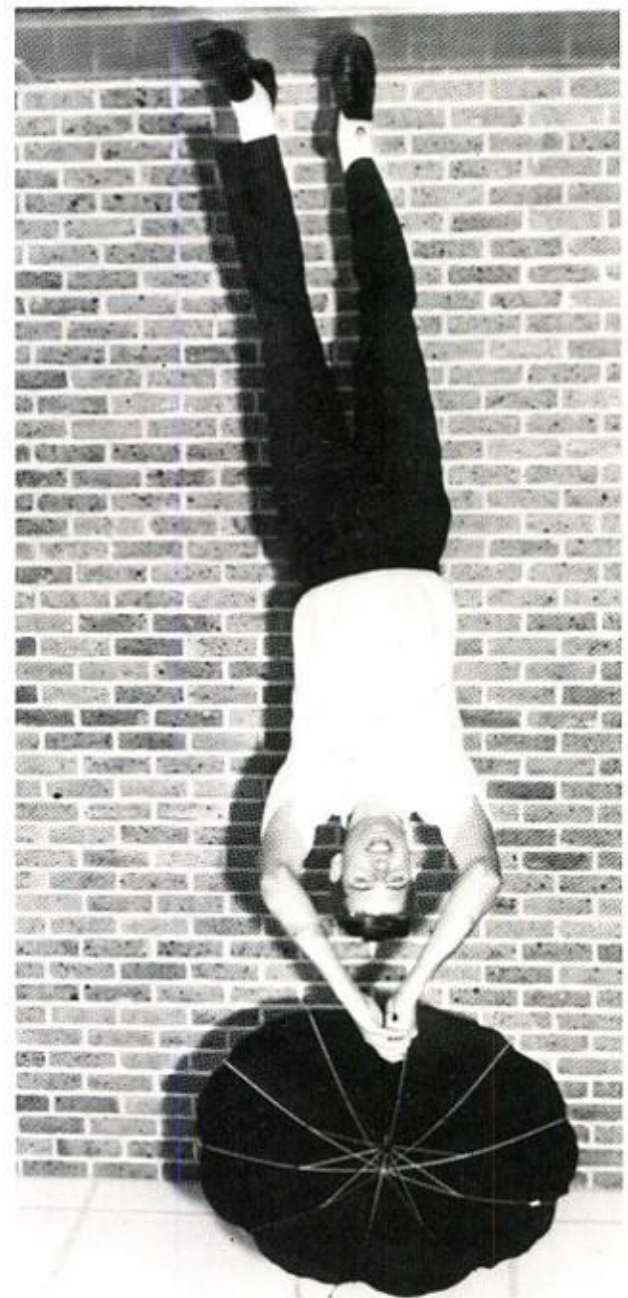

BEFORE: Preparation

AFTER: Exultation

Fern always has been a shy girl. . . .

Jim: "But Mary Poppins went the other way".

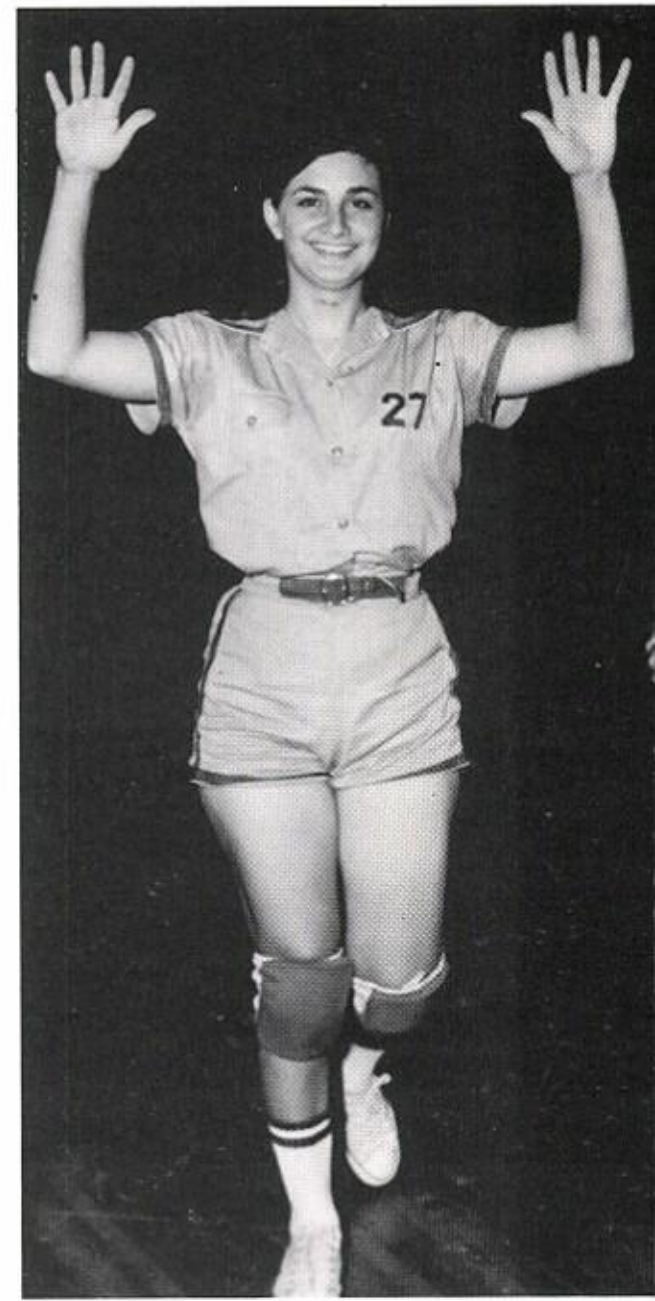

Sue: "This must be about a hundred proof".

Babs: "Do I have to get in the bag?"

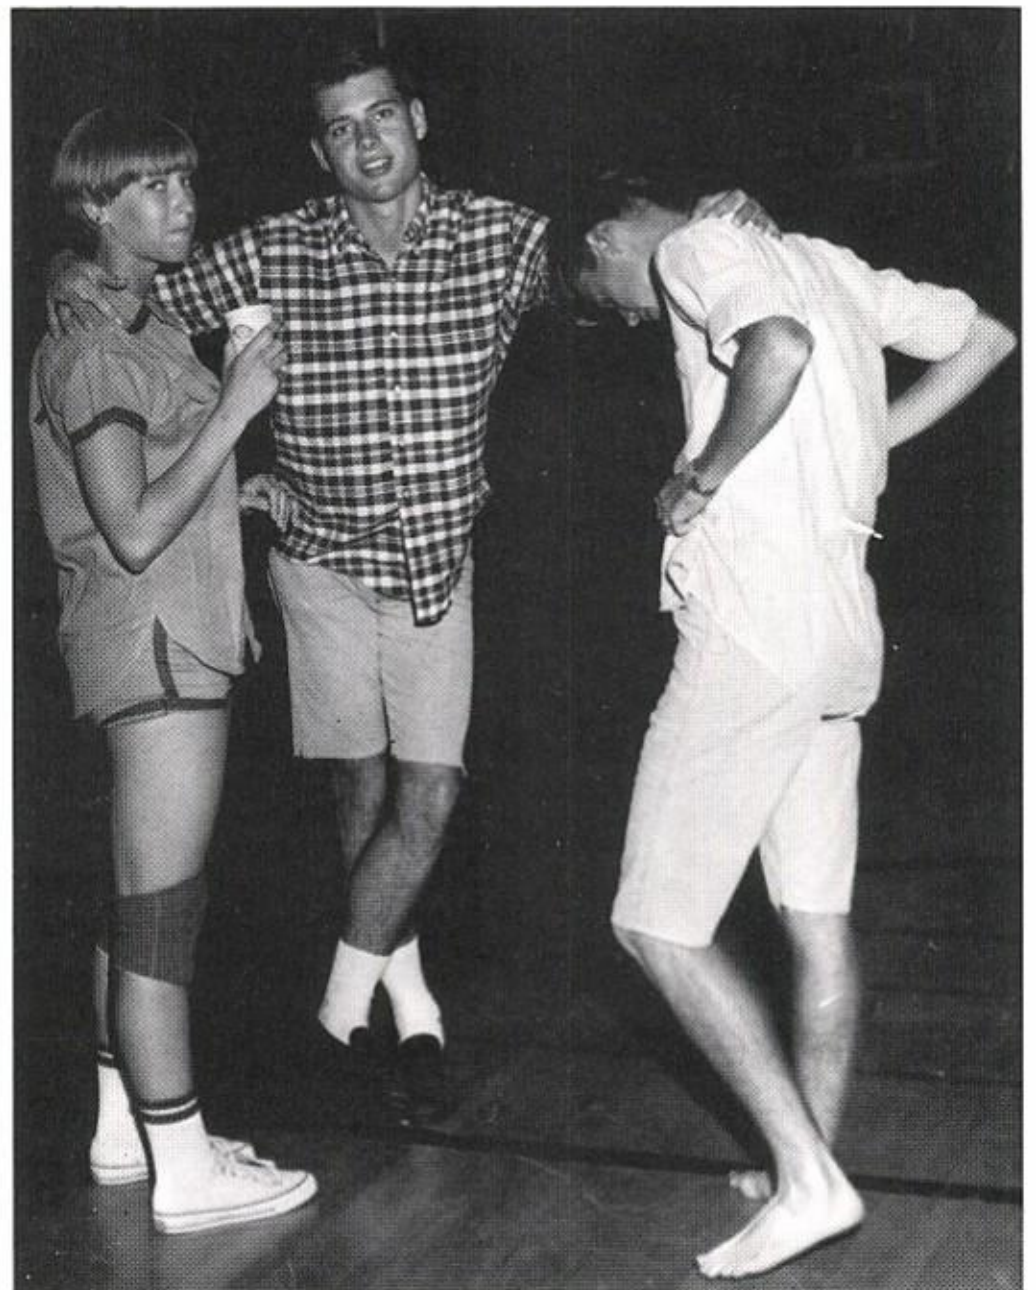

It's surprising what you can make in the Chemistry lab. (Heh, heh, heh)

A new kind of dance - it's called "the volleyball stomp".

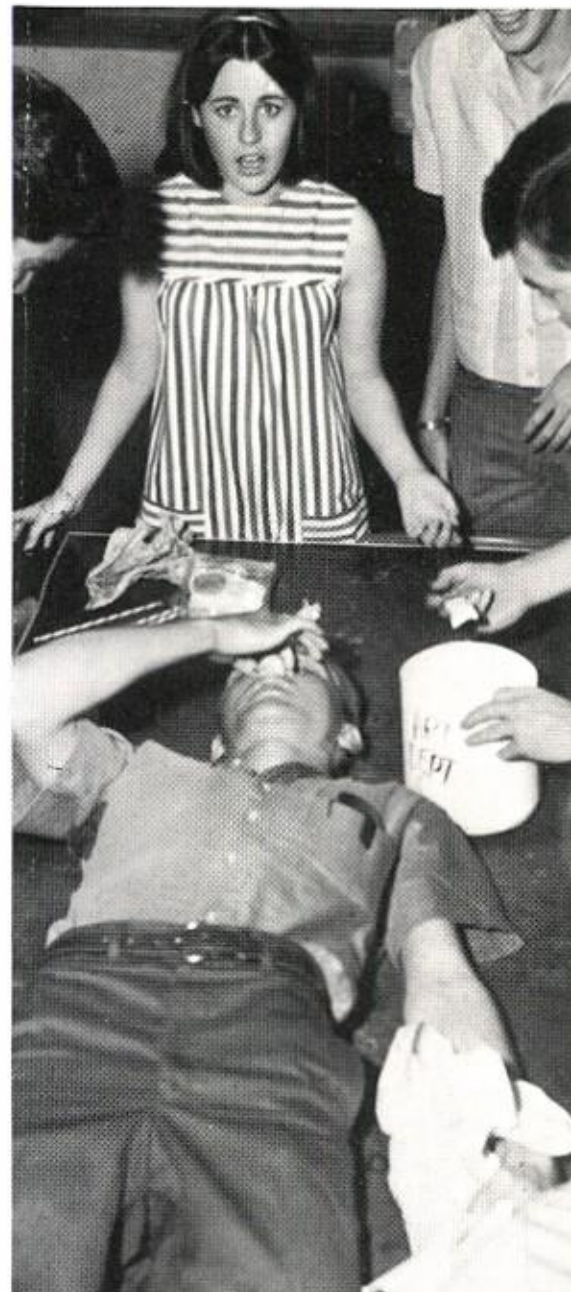

The "Teaberry Schuffle".

Just a few of the guys.

THE FIGHT OF THE YEAR! It's "Raid" versus "Real Kill".

Sissy: "Mr. Smith's statue is coming to life

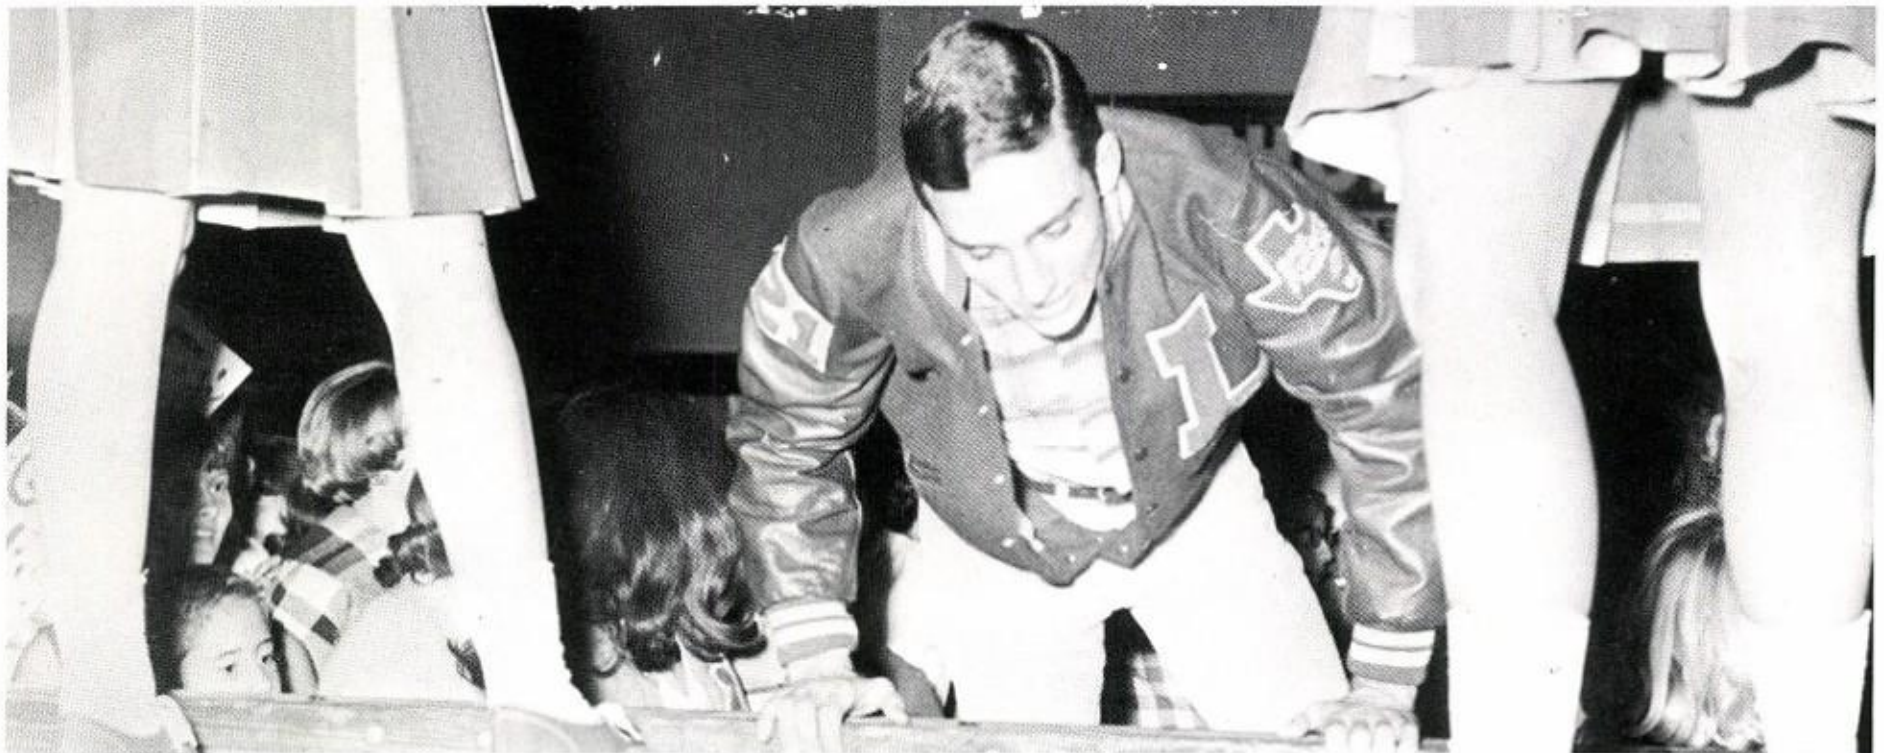

By the looks of this group, somebody must have spiked the water in the fountain.

Dianna fought and switched.

Who could ever forget the Lamar High School Cheerleaders? They cheered us on to win, and when we were behind they kept our spirits up with their antics.

Richard: "Okay, Janice, I gotcha' now!"

As the 1966 graduating class leaves Lamar behind, they may have their shoes on the wrong feet at first, but their footsteps will be worthy of following in years to come.

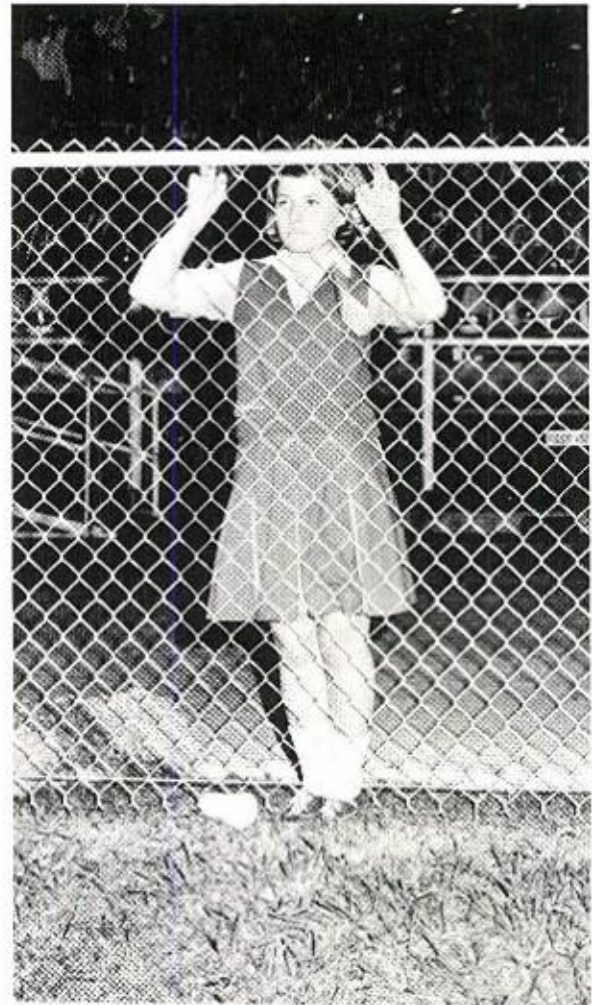

Wish I could play!!!??

Jimmy, "Let's play 'I Spie'"

Ole'

Concert Band

Director

DR. WILLIAM W. WENDTLAND

Achievements

The Senior Band began practice in July, 1965. It participated in 11 football pep rallies, 10 football half-time shows, and 7 basketball pep rallies. In the latter part of September the Band marched in the Fort Bend County Fair Parade. Its district record of 20 members in the District Band was broken by placing 29 boys and girls out of Lamar's 30 entries in the District Band at tryouts at Dulles in November. This set a new South Texas record. No other AAA school can boast this accomplishment. Eighteen boys and girls went to Wharton for All-Regional tryouts and were placed in the Regional Band at Bay City. This is also a new record for Lamar as the most ever placed before this time was 9. One student made the All-State Band at Dallas. The Band played in the Christmas Concert on December 22, 1965 before school closed for the Christmas holidays. During the school year the Polka Band performed for the public a total of 6 times. The Band played for the ground-breaking ceremonies of the Richmond State School. It was selected to play a concert in the Domed Stadium on Fort Bend County night, being the only high school band to play a full concert in the Dome's center. Stage Bands 1 and 2 entered the Yoakum Kiwanis Festival in Yoakum, Texas, and won for the fifth consecutive year top honors among South Texas stage bands. Two trophies were awarded among all classes, and Lamar came home with both trophies. Nearly 1,000 people attended the third Band-O-Rama in Herndon Auditorium. Performing were the Concert Band, both Stage Bands, the Polka Band, and the Freshman Band. The Band played at the Daughters of the Texas Revolution marker dedication ceremonies at Richmond and for TV personalities of Channel 13. For the third time, the Band entered the Tri-State Band Festival in Enid, Oklahoma. The Sweepstakes trophy was won for the third and final year, Lamar being the only AAA band to win this honor for three consecutive years. The Band received first place in the parade of 109 bands, first in sight reading, first in concert, and 72 medals for solos and ensembles. Stage Bands 1 and 2 were selected as honor bands to play in a special concert in Enid. Upon arriving home, the Band held a recording session and presented the outstanding students with awards at the Band Banquet on May 14. To complete the greatest year the Band has ever seen, it played for graduation exercises on May 24, 1966. Throughout the school year 1965-1966, the Lamar Mustang Band made a total of 48 appearances.

Ronnie, that is NOT what caused your concussion!!

We like your new nose scratcher, Karen!!

O.K., Mr. Devine, what did you do with the Band?

Careful, you guys, Dr. Wendtland might be in there.

It would be lots easier to use the gate, Jimmy.

...and this here BEEUTIFUL plaque goes to a fine cowboy...

Now is that really fair??

Robert: They've got it ALL wrong.

Now we know what the football team thinks of the band!!

... and this big bird came SWOOSH-ing down on...

I told you I put it RIGHT DOWN THERE!!

Choir

Carden Makes State Chorus

Donnie Carden has been in the A Cappella Choir for 4 years. While in choir, Donnie was Vice President for 2 years and President his senior year. He was elected Choir Beau his sophomore year and made All-Regional and then All-State Choir his senior year. He has won several 1st ratings in UIL and the Buccaneer Festival and also in madrigals. He was in a Boy's Quartet his sophomore and senior year both of these groups won 1st ratings in Corpus which is considered a great honor. Donnie had one of the leading parts in the choir musical "Plenty of Money" in which he played a gangster, "Knuckles" in his Junior year. Donnie's outstanding participation and excellent attitude gives an example of what a person with much drive and determination can achieve.

Donnie had to learn many songs to qualify for the state choir. Here he is assisted by Choir Director Joe Scarcella and his sister Janice Carden.

Who's Who

The selection of Who's Who, done by the faculty each year, is based upon many things. First, the students must be an active member of the junior or senior class. They must also be scholastically outstanding, dependable, have a good attitude, and show school spirit. Who's Who is truly an honor for these well-deserving students.

ALMA MATER

Hail, Alma Mater,
All glory to thy name,
Thy colors gray and blue
Shall Ere Remain.

We pledge our loyalty,
Friendship and sincerity,
Our love shall never die
Hail Lamar High!

The end of learning is to know God, and out of that
knowledge to love him, and to imitate him, as we
may the nearest, by possessing our souls of true
virtue.
